

Question 4. Visit a website that interests you.

Write a one-page summary of the site that addresses the following topics:

a) What is the URL of the site?

<http://www.youtube.com>

b) What is the purpose of the site?

YouTube is a website for watching, uploading, and sharing videos. Its purpose is to help people learn, find information, and enjoy entertainment through lessons, music, news, tutorials, gaming, and more. Users can also create channels and share their own videos.

c) Who is the intended audience?

Almost everyone with internet access, Including students, teachers, children, and adults who want to learn, watch entertainment, listen to music, or share content. Different age groups use it for different purposes.

d) Do you think that the site reaches its intended audience? Why or why not?

Yes, I think YouTube does reach its intended audience because it offers content for almost every type of user, from education and tutorials to entertainment, music, and news.

But honestly, it is not perfect. Even though the platform has age restrictions and content filters, children can still sometimes access videos that are made for adults, especially if they use shared accounts or if the system does not correctly filter content. Also, some recommended videos may not always match the user's age or interests, so over all yes, but it could be done or monitored better.

e) Is the site useful to you? Why or why not?

Yes, YouTube is very useful to me because I watch tutorials for technical topics and projects, follow tech creators while working on my own ideas, I also use it for entertainment, and also upload content to my gaming channel. It helps me learn practically and share my work.

f) Does this site appeal to you? Why or why not? Consider the use of color, images, multimedia, organization, and ease of navigation.

Yes, YouTube appeals to me because it is simple, well organized, and easy to navigate. The colors, thumbnails, and video layout make content easy to find and attractive to watch

g) Would you encourage others to visit this site? Why or why not?

Yes, I would encourage others to visit YouTube because it is useful and informative, you can literally find anything you need there with a lot of options too, but younger users should be monitored while using it.

h) How could this site be improved?

YouTube could be improved with a cleaner layout, less screen clutter, and better organization of content, and less recommendations pop ups.
